# Ligonier Camp & Conference Center

"We have this hope as an anchor for the soul, firm and secure"  
- Hebrews 6:19

Ligonier Camp & Conference Center is excited to offer busy youth leaders the opportunity to simply hang out with their kids. That's what makes our On The Edge (OTE) program different: we do all the planning, programming, speaking, preparing. You just bring your youth. Here are some of the most frequently asked questions about OTE. If you need more help, please feel free to give us a call! You can reach us at (724) 238-6428.

## What is On The Edge?

OTE is a program designed to allow youth fellowships to enjoy a summer camp experience together. Youth and their leaders stay in the Lamont Lodge, hear quality speakers, study God's Word, and play in creation while being challenged and encouraged to stretch out of their comfort zones in unique ways.

## When is OTE?

- OTE I: July 9-13
- OTE II: July 16-20
- OTE III: July 23-27
- OTE Mission Week: July 30-Aug 4

## What is all this "Adventure" Stuff?

We have one of the most extensive Adventure Education programs in the Eastern US, and we love to use it in ways that allow youth to draw closer to their Creator, Savior, and Sustainer. Here are some things you *may* experience at OTE:

- Team Building Initiatives
- Low Ropes Courses
- Pamper Jump and Flying Squirrel
- High Ropes Course
- 1,000' Dual Zip Line
- The Vomit Comet
- Tree Climbing
- Mountain Biking & Boarding
- Laser Tag
- Tubing

## What else will we do?

While adventures activities take up much of the day, here are other things that happen during OTE:

- Pool Bash & Cook Out
- Ligonier Live: our high-energy evening program.
- The Luge - our huge slip & slide

## What about Jesus?

We are a Bible-believing, Christ-centered camp. We believe in the forgiveness of sins through the atoning death of Jesus Christ on the cross of Calvary, and His resurrection from the dead. We want all our campers, leaders, and visitors to know about this salvation. Each week, OTE has its own speaker who presents the Gospel in a tangible way. Small group opportunities are provided for you to disciple your students.

## What do I have to do?

- You'll receive a contract packet, and when it's time you will return your contract with a \$500 deposit.
- Keep track of who is coming with you. We are constantly tracking how much space is available in OTE, and about two weeks prior to your session, we will need to know the breakdown of boys and girls, as well as how many men and women advisors you'll have with you. We will also need to know how many

campers are 11 or younger, because some of our adventure activities have an age requirement of 12.

- Bring 1 adult of the same gender per every 5 youth. For example, if you have 3 boys and 7 girls signed up, you will need 1 man and 2 women. This is because we require an adult (18+) from your group to stay in the same room as your students, and each room sleeps a total of 6 people.
- Get your kids here with completed & signed liability and health forms for every participant.
- Be prepared to handle your participants' medical needs, such as distributing medications.
- Your church must name Ligonier Camp & Conference Center as Additionally Insured.

## How much will all this cost?

Less than you might think. For all five days of lodging, meals, adventure, Bible study, and other activities, the cost is only \$315 per camper. White Water Rafting is an additional \$50/person. Adult leaders (18+ years old, post high school), are given a discounted rate of \$185. If you have any questions about the cost, please give us a call.
